S i r,

With reference to your letter No. I..2832 dated 30th September 1924, returning the file of vernacular correspondence relating to the proposed conversion of Banavar Village Panchayat into a Municipality, with the observation that there are some discrepancies between the draft notification and the notification published, I have the honor to state that the boundaries as noted in the draft notification having been subsequently reported to be incorrect to some extent, correct information was collected and embodied in the notification sent for publication. The enclosed printed copies of the notification in English and Kanarese have been printed and published accordingly and may therefore be adopted. S.No. 69, which had been, by a clerical error, inserted in line 3 showing the boundaries in the printed copy of the Kanarese notification has been scored out.

2. The file of vernacular correspondence on the subject is retransmitted herewith.

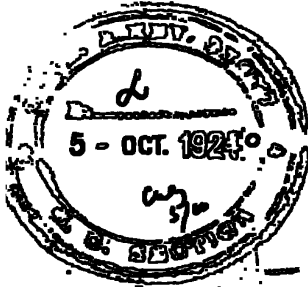

I have the honor to be,

S i r,

Your most obedient servant,
